

Important bits and pieces for March

Swimming

There is no Sunday swimming session this Sunday 19th March at Central, Bill Everett is on as usual.

Instead there is a Water Polo tournament boys 1.30 – 3.30 and the girls 3.30-6. Everyone is invited to come and watch and support our teams. If you haven't seen a match before this is a good opportunity at our home pool.

Medal Chance?

With the Commonwealth Games starting in Melbourne today (Wednesday 15th) our thoughts and hopes are with Adam Bowden a member of the swimming club but taking part in the 3000m steeplechase, look out for him on the telly, and we wish him luck.

Herts. League

On Saturday 25th March the final round of the Herts. League takes place. The B team are doing well and are in the top six for the finals.

The A team are struggling and we need to enter our strongest possible team. This heat takes place at Potters Bar swimming pool and we are hosting that means that we need lots of volunteers to cover the following jobs:

- door/programmes
- selling raffle tickets
- disturbing drinks to the officials
- announcer
- recorders x2
- plus any other tasks that I have forgotten!

Please see or e-mail Su if you can help, it takes loads of training and skill to sell raffle tickets...NOT!

Water Polo

Water Polo has been cancelled on Sunday 26th March.

Next Newsletter

The next newsletter will be out at the Club Champs on 5th April, (entries close tonight). Any articles can be submitted by April 1st (no pranks please, but jokes are quite acceptable) to su_tysoe@hotmail.com. In the newsletter there will be important information about club champs, news about how Adam gets on and review of the County BagCats and Youth Championships.
